The Club Difference...

BOYS & GIRLS CLUBS
OF WEST ALABAMA

At Boys & Girls Clubs of West Alabama, we understand that youth need a link between school and home, a safe place to belong and to become. For more than 62 years, our Clubs have been that place for thousands of local youth, ages 6-18.

When kids and teens walk through our Club doors, they discover somewhere to connect with peers, learn from mentors and develop and strengthen social, emotional and academic skills that will prepare them for future success.

Every day, with the guidance and support of highly trained Youth Development Professionals, our members play, laugh, explore and learn.

We consider it both an honor and privilege to provide facilities and programming that ensures Club members are holistically equipped to thrive in all areas of life.

Our Youth of the Month and Youth of the Year programs are the highlight of the year for our Club members, recognizing leadership potential and overall achievement.

With your investment as a partner, we will continue to **inspire and encourage local youth to dream big and then work to become what they dream.**

HISTORY

Beginning nationally in 1947, Youth of the Year is our signature effort to foster a new generation of leaders, fully prepared to live and lead in a diverse, global and integrated world economy. In the 21st-century world and workplace, leadership skills such as communication, goal-setting and teamwork are essential for everyone—especially young people preparing to meet the challenges of adolescence and adulthood.

All proceeds from the luncheon support programming for members of Boys & Girls Clubs of West Alabama specifically designed to develop leadership skills and good character.
